S. 2667

To designate the Gulf of Mexico Alliance as a Regional Coordination Partnership of the National Oceanic and Atmospheric Administration and for other purposes.

IN THE SENATE OF THE UNITED STATES

MARCH 10, 2016

Mr. WICKER introduced the following bill; which was read twice and referred to the Committee on Commerce, Science, and Transportation

A BILL

To designate the Gulf of Mexico Alliance as a Regional Coordination Partnership of the National Oceanic and Atmospheric Administration and for other purposes.

1 *Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Gulf States Protection
5 and Restoration Coordination Act”.

6 SEC. 2. FINDINGS, SENSE OF CONGRESS, AND PURPOSES.

7 (a) FINDINGS.—Congress finds the following:

8 (1) The Gulf of Mexico is a valuable resource
9 of national and international importance, continu-

1 ously serving the people of the United States and
2 other countries as an important source of food, eco-
3 nomic productivity, recreation, beauty, and enjoy-
4 ment.

5 (2) Over many years, the resource productivity
6 and water quality of the Gulf of Mexico and its wa-
7 tershed have been diminished by point and nonpoint
8 source pollution, increasing population demands,
9 economic development, and natural and man-made
10 hazard events.

11 (3) The protection of the Gulf of Mexico re-
12 gional ecosystem has been traditionally underserved
13 and overlooked compared to other great water bodies
14 of the United States, even though the region ac-
15 counts for 17 percent of United States gross domes-
16 tic product and would rank as the 7th largest econ-
17 omy in the world.

18 (b) SENSE OF CONGRESS.—It is the sense of Con-
19 gress that the United States should seek to attain coordi-
20 nation of the protection and restoration efforts of the Gulf
21 of Mexico in order to reduce duplication of efforts and
22 maximize efficiencies through a collaborative regional ef-
23 fort by the Gulf of Mexico Alliance, in consultation with
24 Federal agencies and State and local authorities.

1 (c) PURPOSES.—The purposes of this Act are as fol-
2 lows:

9 (3) To commit the United States to a com-
10 prehensive cooperative program to achieve improved
11 water quality in, and improvements in the produc-
12 tivity of living resources of, the Gulf of Mexico.

13 (4) To establish a Gulf of Mexico Alliance to
14 coordinate Federal and State authorities with other
15 voluntary efforts for the collaborative management
16 of the large marine ecosystem, thereby reducing du-
17 plication of efforts and maximizing opportunities to
18 leverage restoration support in the Gulf of Mexico
19 region.

22 The Coastal Zone Management Act of 1972 (16
23 U.S.C. 1451 et seq.) is amended by adding at the end
24 the following:
